

EDUCATION

St.Joseph's College of Engineering	2023-2027
BTech.Information Technology – CGPA 9.00	
IIT Madras	2023-2027
BS Data Science and Applications-CGPA 7.53	
SBOA School and Junior College	
12 th Grade Percentage:91	2023
10 th Grade Percentage:93.16	2021

PROJECTS

[Quiz Master](#) | Flask, Flask-Security, SQLite, Vue 3 (Vite), Redis, Celery, Bootstrap

- Developed a multi-user quiz web application with token-based authentication and role-based access control
- Designed and implemented a normalized SQLite schema to manage users, subjects, chapters, quizzes, questions, and scores.
- Developed Admin dashboards for full CRUD operations, and User dashboards for interactive, timed quizzes with detailed performance analytics
- Integrated Redis & Celery for scheduled and asynchronous jobs (daily reminders, monthly activity reports, CSV export).

[VFD Energy Savings Dashboard](#) | Flask, Python (Pandas, Seaborn, Matplotlib), MySQL, HTML, CSS

- Developed a web dashboard for calculating and visualizing potential energy savings from Variable Frequency Drive (VFD) subsystems in commercial buildings.
- Enables users to input custom operational hours, select specific subsystems, and define cost parameters.
- Generates interactive daily and non-working hours consumption heatmaps for granular energy-insight visualization.
- Computes daily and total potential energy/cost savings during non-operational hours

INTERSHIPS

[Chakra Network Solutions](#) – IIT Madras Research Park 07-2024 – 08 2024

- Performed Exploratory Data Analysis (EDA) on BTU Consumption Dataset
- Designed work pattern analysis segregating subsystems into 5-day, 6-day, 7-day, and 24-hour categories.
- Developed an Energy Saving Analysis Web Application using Flask + MySQL

TECHNICAL SKILLS

Programming & Web: Python, C, HTML, CSS

Databases: MySQL

Data Analytics & Visualization: Pandas, NumPy, Matplotlib, Seaborn, Plotly

CERTIFICATIONS

- [Advance Certificate in Programming and Application Development](#) – IIT Madras
- [Python for Data Science](#) – NPTEL Gold 1% Topper
- [Problem Solving Through Programming in C](#) – NPTEL Silver 2% Topper
- [Data Base Management Systems](#) – NPTEL Silver 5% Topper

LEADERSHIP EXPERIENCE

[Secretary, Wayanad House](#) – IITM BS Degree Program July 2025 – May 2026
